Shari is a gem! We found her online and it turned out to be our best online research ever. We feel extremely fortunate to have her as our agent. We were new to Westfield and she found us a dream home in two weeks. She is professional and compassionate. She has this loving kindness towards her clients. Shari takes care of all the details of the buying process and goes extra miles to help. She is patient, punctual, understanding, and quick to respond and solve issues. A good agent can make the buying process less tedious and stressful. Shari is definitely a gold medal real estate agent!

Bought a Single Family home for approximately \$297k in Colonia, NJ

My girlfriend and I started the process of buying our first home a few months back. Shari was an instrumental part in making that dream come true for us. Her professionalism was unwavering and she always made herself available to us (which was A LOT). As first time homebuyers, we really benefited from Shari's expertise in the New Jersey housing market. She was able to guide us through multiple offers, and ultimately land us the perfect starter home. What really impressed me the most about Shari was her ability to ALWAYS be on time and prepared. I look forward to using her in the future when my girlfriend and I decide to sell and upgrade! Thanks Shari!

Bought a Single Family home for approximately \$699K in Westfield, NJ

This is the first online review I've ever written. I highly recommend Shari Holtzman, who was our buyer's agent for a recent purchase in Westfield. Shari stuck with us for more than a year, through (at least) 5 different towns, and multiple offers. Her intimate knowledge of Union and other NJ counties makes her an invaluable resource. What sets Shari apart for me is that she is not looking to make the quick sale. She wants you to have the best house for you and your family and isn't afraid to push back when you are over eager. And when you are ready to make the offer, she is a strong negotiator who knows the market and where you need to be to close the deal. Shari was so generous with her time and insight and we couldn't be more grateful. When we sell (hopefully not for quite some time!), we will use Shari.

Bought a Single Family home for approximately \$650K in Westfield, NJ

Shari was the #1 reason why our 1st time home buying experience was amazing. We found Shari through the Zillow site based on her reviews. She was everything that each review shared. Her response time was extremely fast. We found this invaluable as each question we had, always felt that it needed immediate attention. Her knowledge of the area went beyond our expectations, as this made us feel so comfortable with each neighborhood we looked at. Shari was also very helpful in directing us to local services in Westfield, This was so helpful considering we had never owned a home, and we were not familiar with this area. I could not recommend anyone more than Shari. I know many others will share the same experience we had with Shari as their realtor.

Sold a Single Family home for approximately \$600K in Westfield, NJ

Shari was superb at assessing our house accurately and providing great feedback on little things to do to help make the house more marketable. We were moving through a corporate relocation and needed to make things happen quickly. Shari was key. We put the house on the market on Wednesday and had multiple offers by Sunday evening. Shari helped us navigate the sales process, even through what was sometimes a complicated process with the corporate relocation, and negotiate a good sales prices. I would highly recommend Shari to anyone looking to sell or buy a home.

We worked with Shari for a year when we relocated to New Jersey. Her level of knowledge and understanding of the local market made us extremely comfortable and we knew we were in very good hands. She was extremely patient with us and always put our needs and requirements first. I would not hesitate to recommend Shari - in fact, I would say if you're looking to buy or sell in Westfield and you're not working with Shari, you're missing out. We really had a wonderful experience.

Sold a Single Family home for approximately \$650K in Westfield, NJ

Shari really went above and beyond to help us sell our house. She made helpful recommendations and helped us stage our house to sell, while at the same time she was mindful of our budget and she did not suggest spending lots of money to fix up our house beyond what was necessary. She was professional and worked with us every step of the way. Shari is a pleasure to work with and I would highly recommend working with her!

Bought a Single Family home for approximately \$1.75M in Westfield, NJ

Shari represented us on both the purchase of our new home and the sale of our existing home. She is professional, responsive and helped with every aspect of both transactions. Her market analysis was dead on. We had multiple offers and a contract to sell our home above the asking price within 3 days of listing in a very tough market. She has tremendous knowledge of the market and the people who work in this field. Her contacts and creative thinking helped us get through some difficulties we experienced with our purchase. For once, we felt we had a realtor who was truly looking out for our interests. We highly recommend Shari for any real estate transaction.
